## COMMUNITY HOME GROUPS

We believe Jesus' command to make disciples is best lived out in small group relational environments. Ranging in size from 4 to 14 people, home groups are community based relational environments of men and women that meet for the purpose of intentionally growing as disciples of Jesus. To find out more and to get connected in a home group, contact Bobbi Glennon: [bglennon@northshorechristian.org](mailto:bglennon@northshorechristian.org)
